Education

B.F.A. in Animation - Savannah College of Art and Design

2016-2020

M.F.A. in Design and Tech - Parsons School of Design

2022-Present

Work Experience

Freelance Artist

2017-Present

Art and animation for hire. I work with clients to deliver illustrations, animation, portraits, prints, and logos for their needs. I also sell T-shirts with my art on them.

Skills

Planning, Communication, Public Speaking, Multi-Tasking, Teamwork, Organization, Drawing, Illustration, 2D Animation, Graphic Design, 3D Modeling, Image Editing, Video Editing, Audio Editing, Song Writing, Coding, Java Script, C#, Game Design

Projects

What Is It

Spring 2023

Writing, Coding, and 3D Environment

A virtual poetry experience made in Unity. Made a randomized poem and nice place to read it.

The World I Draw (Working Title)

Spring 2023

Art and Coding

Text adventure game I was working on in Twine. Wrote and coded story and drew art.

Cloudy Jewel

Winter 2022

Art and Coding

A short videogame made with p5js by me. Wrote story, coded mechanics, animated characters, and made various other art assets.

Frontier Planets Reconnaissance

2022-2023

Animator and Episode Planner

Animated series from Caution Ready Games. I did animation, organized assets for animation team, and gave directions on how to approach shots and keep style consistent.
